

Merry Christmas and Happy 2019 to our TDC Supporters and Donors:

The Total Development Center (TDC) desires your support for our 2019 "***FIELDS for CHAMPIONS***" campaign.

- ❖ Our mission is to help "***ALL KIDS***" succeed physically, mentally, emotionally, socially and spiritually.
- ❖ Providing a space (***an arena field***), a place where kids can play, learn, grow and be safe helps us to support our mission of "Helping All Kids Succeed!"
- ❖ An all-weather ARENA FIELD is a smaller field built with synthetic turf.....think "hockey rink" size!
- ❖ An ARENA FIELD is built on a footprint that is 100' by 200' with an 8 foot fence on all sides.
- ❖ Cost of construction is approximately \$10 per sq. ft. or \$200,000 per field.
- ❖ With a fence around the perimeter of the field, this becomes a very safe place for kids to play.
- ❖ These fields can be dropped in anywhere space permits - can be used every day rain or shine.
- ❖ The TDC provides age appropriate curriculum for positive youth development on these fields.
- ❖ Kids are designed for play and each activity is led by a TDC trained "3-Dimensional Coach".
- ❖ "***FIELDS for CHAMPIONS***" are also perfect for students with special needs. Each field is designed so that "ALL KIDS" can succeed and enjoy the original intent of SPORT, which is to play and have fun!

Please join our "***FIELDS for CHAMPIONS***" campaign for the 2018-2019 year. Your donation goes directly to our field account and your name goes on the "Champions" donor plaque that accompanies each field that your generosity helps build. These fields are built with LOVE and provide special memories for our children who are our greatest resource. The future is created by the choices we make today. Please choose to be a generous giver this year and make The Total Development Center and "***FIELDS for CHAMPIONS***" part of ***your*** legacy.

Sincerely Yours,

George M. Crace, Chairman of the Board
